The mission of the Lake Superior Community Health Center is to improve access, particularly financial access, to primary health care through the provision of clinical care, health education, screening, assisted referrals and advocacy. Our mission rests upon the philosophy that health care is a right of all people.

Lake Superior Community Health Center, seeks a full-time Medical Director/Chief Medical Officer. As the chief medical officer (CMO), the director provides overall leadership for medical services and clinical quality consistent with organizational goals and strategies. Duties include direct patient care; clinical program development; setting clinical standards and quality metrics; developing collaborative referral and consultative care; and championing performance improvement, including developing a patient-centered medical home model of care. Ideal candidate is a progressive professional, with strong interpersonal skills and ability to foster a positive team environment.

Requirements:

- MD/board-certified family physician,
- Master's in public health, business or related field preferred;
- with 5-7 years of patient care and leadership experience in similar position.

To apply:

Interested candidates should email resume to Van Norman & Associates, Human Resources Consulting / Talent Search Services. Email address: dvn@iaxs.net or apply on-line at <http://www.lschc.org/employment.htm>

EOE/AA:

The Lake Superior Community Health Center provides equal opportunity to all employees and applicants for employment in accordance with all applicable equal employment opportunity/affirmative action laws, directives, and regulations of federal, state, and local governing bodies or agencies.
