Job Title: Hmong/Laotian Interpreter

Position Type: Part-time, Casual

Location: Minneapolis, MN

This classification has the responsibility to translate for patients in our outpatient clinic as they move through the appointment cycle. This includes assisting patients with person-to-person language interpretation, may also include translating other written materials, during registration, clinical exams (Medical, Dental, Behavioral Health), laboratory services, pharmacy services, and nursing services.

REQUIRED QUALIFICATIONS:

One year of experience in health clinic or hospital interpretation.

Demonstrated skills in writing and speaking in Hmong/Laotian. We provide language testing for all interpreter positions.

Preferred Qualifications:

Completion of University of MN (or other similar) Interpreter course or certification.
