Issue Brief  
#11-02

August  
2011

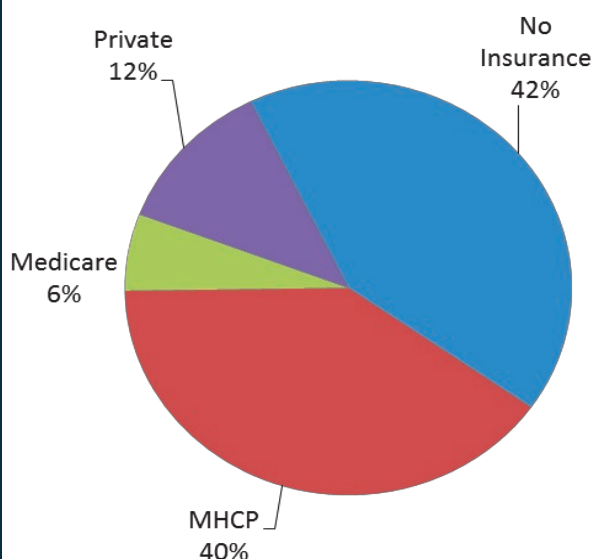

The Minnesota Association of Community Health Centers (MNACHC) is a non-profit membership organization of Minnesota's Federally Qualified Health Centers (FQHCs).

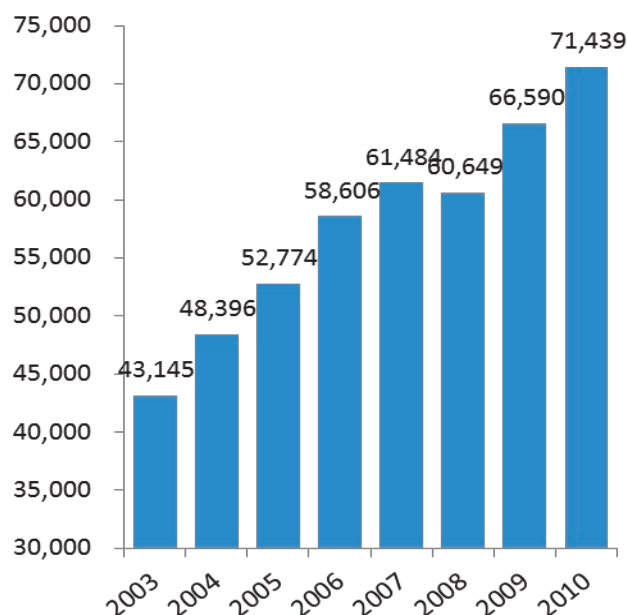

MNACHC works on behalf of its members and their patients to promote the cost-effective delivery of affordable, quality primary health care services, with a special emphasis on meeting the needs of low income and medically underserved populations.
