The mission of the Lake Superior Community Health Center is to improve access, particularly financial access, to primary health care through the provision of clinical care, health education, screening, assisted referrals and advocacy. Our mission rests upon the philosophy that health care is a right of all people.

Lake Superior Community Health Center seeks a part-time quality improvement coordinator.

Duties include being responsible for directing and coordinating quality improvement program activities, ensuring regulatory compliance, and promoting improved health outcomes.

Qualifications include Bachelor's degree in health information management, nursing/related field; Master's preferred; and minimum of 3 years work experience in similar position, preferably in clinic setting.

To apply:

Apply online at www.lschc.org.

EOE/AA:

The Lake Superior Community Health Center provides equal opportunity to all employees and applicants for employment in accordance with all applicable equal employment opportunity/affirmative action laws, directives, and regulations of federal, state, and local governing bodies or agencies.
